Dear prospective participants

  We would like to request that you take the following steps for registration of RI and X-Ray in FY2023.

1. Contact information or the radiation-related office of your department to which you belong.

  1-1. Desired Date of pre-registration training course.

   In FY2023, the training course will be held in a hybrid format.

   - Face-to-face (50 participants per training session)

    Venue: Lecture Room on the 3rd floor of the Education and Training Building, Radiation Management Division

    (No.14 building on the campus of the Faculty of Medicine)

   - Online (Zoom, about 60 participants per training session)

  1-2. Desired date of medical examination (pre-engagement blood test).

  ※ Please refer to Attachment 3 (Scheduled Participants) and Attachment 4 (Medical Examinations).

2. Please refer to the following URL and apply for registration in the Kyoto university Radiation Users' Management System (KRUMS).

 https://www.rirc.kyoto-u.ac.jp/restricted/krums_man_new_user2021ver2-1_rc_en.pdf

  ※Please select your first, second, and even third choice of candidate dates for pre-registration education and training on KRUMS.

  ※Please note that you may not be able to take the course after the application period.

3. The Radiation Management Department will determine the dates of the course, and notify you as follows.

 Face-to-face class: The office in charge of your department will inform you.

 Online lectures: The Radiation Control Department will notify you via university e-mail (KUMOI, KUMail).

 ※Japanese laws and regulations require that the prescribed number of subjects and hours be attended. Please note that no late arrivals or leaving during the lecture course will be accepted.

4. Medical examination (pre-engagement blood tests)

The office in charge of your department will inform you of the date and time of the medical examination.

　※Please note that if you have not taken pre-registration training, you will not be able to take the medical examination.
